CONFEST

# VERSATILE.

**CONFEST** is designed in mind to be smart and elegance. We do believe that a smart furniture go a long way to help boost efficiency and save cost in a long run.

**CONFEST** was created with flexibility in mind. A simple function folding mechanism enables the worktop to be flipped down into place in moments, to create a meeting space. If not in use, simply flipped up and rolled them away for a quick and space efficient storage.

In a fast moving corporate world, time is paramount importance as well as the costs involve in investing the right furniture to fit right into the tough economic climate.

However, we acknowledge that group work is dynamic and time and time again ad hoc situation is something we cannot afford to avoid.

**CONFEST** enable individuals to transform quickly a U-Shape configuration into several blocks cater for small team discussion or work.
