Functional and Aesthetics Appeal

Visually appealing work settings are essential for engaged, collaborative teams. Avail Go bench and height-adjustable desk present an attractive, pleasant and streamlined profile, blending performance, functionality and flexibility to boost efficiency. Avail Go enriches individual focus and teamwork in hybrid environments while enhancing productivity.

Optimized Workspaces

Smart design in space planning creates optimized workspace that unleashes the full potential of benching. Avail Go long bench design accommodates more workers in less space, fostering group interaction and better departmental communication. Avail Go meeting table enables agile teams for efficient collaboration and discussion.

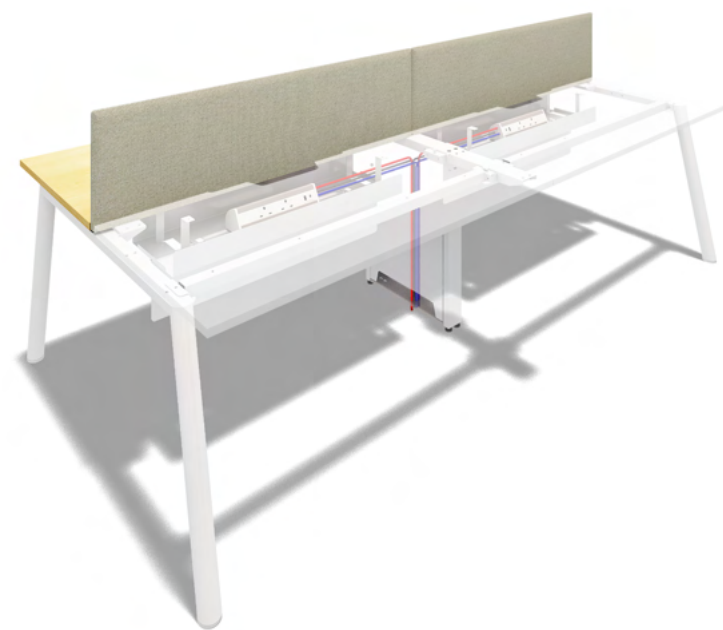

Setting

- TOP Double Bench with Straight Leg; ENTRY2 Chair
- LEFT Double Bench with Round Leg; AIRFORT2 Chair
- RIGHT Double Bench with Trapezoid Leg; FOLIA Chair

Integrated Cable Management

Cable wires are neatly concealed under Avail Go bench work surfaces, concealed along trucking and middle leg, for a consolidated arrangement that systematically and aesthetically organizes workspaces. Adjacent power module provides incessant power connection for workplace efficiency.

Modern Spherical Base Design

Avail Go Bench has a stylish and sturdy metal base, designed spherically with elevations, enabling it to support a multitude of work needs.
