

# CLAVO

## PRODUCT SHEET

A cost-effective, comfortable training chair  
that lasts year after year

**KOKUYO**

## Simple Design for a Variety of Spaces

- Simple design for various spaces, from private offices to open areas. Additionally, the meeting usage and the number of participants can be adjusted based on the layout.
- Compact and horizontally stackable, it efficiently increases the usable area of the meeting space when stored. With or without the side writing tablet, the horizontal stacking space is 205mm.

### Color :

#### Black Frame

Only black seat cushion can be paired with different mesh back color options.

#### White Frame

The mesh back and seat cushion should be paired up the same color tone.
